

Newsletter

ISSUE 10, May 2018

Welcome to the 10th PRISM trial newsletter! We are thrilled to announce that we have recently recruited our **3000th** patient!! Congratulations to Arcispedale Sant'Anna University Hospital in Ferrara for randomising the patient! We also have a number of new sites who have opened in the last few months meaning that we have now 65 sites across 6 countries open and recruiting patients to the trial! A warm welcome to:

- ASST Monza
- Kingston Hospital
- Guy's and St Thomas'
- Hospital Clínico Universitario Valencia

PRISM 100 club
