ISSUE 8, DECEMBER 2017

We are thrilled to announce that we have now reached the **half way** milestone in recruitment, having recently randomised our **2400th** patient! This is an absolutely impressive achievement, we are lucky to have such a great team of investigators working on the trial. We appreciate your enthusiasm in achieving this phenomenal milestone, thank you all!

We would also like to welcome the following sites who have opened in the last couple of months. Welcome on board!

- Royal Glamorgan Hospital, UK
- Grey's Hospital, South Africa
- Inkosi Albert Luthuli Hospital, South Africa
- Hospital Clínico Universitario de Valladolid, Spain

PRISM trial top recruiters, Oslo University Hospital. Recently randomised their **200th** patient! Incredible work everyone!

*Merry Christmas and a happy New Year!*
