## Amendment Acknowledgement

27 July 2017

Professor Rupert Pearse  
Professor of Intensive Care Medicine  
Queen Mary University of London  
London  
E1 1BB

Tel: 020 7882 7250  
Email: Sponsorsrep@bartshealth.nhs.uk

Dear Prof Pearse,

**Protocol: Prevention of Respiratory Insufficiency after Surgical Management (PRISM) Trial: A pragmatic randomised controlled trial of continuous positive airway pressure (CPAP) to prevent respiratory complications and improve survival following major abdominal surgery.**

**ReDA Ref: 010443 QM**  
**REC Ref: 15/LO/1595**

Following review of the amendment dated **13.04.2017** for the above referenced study, Barts Health NHS Trust can confirm that this amendment does not affect current governance approval. The following documents were received:

Type	Version	Date
Covering letter on headed paper		13 April 2017
Notice of Substantial Amendment (non-CTIMP)		13 April 2017
Research protocol or project proposal [Changes Tracked]	1.6	10 April 2017
Research protocol or project proposal [Clean]	1.6	10 April 2017
Research protocol or project proposal [Tracked]	1.6	10 April 2017

Barts Health NHS Trust can therefore continue to participate in the study and our files have been updated to reflect the changes. Please ensure that all updated patient documents contain appropriate logos, local information and contacts.

We wish you all the best with your research, and if you need any help or assistance during its course, please do not hesitate to contact the Office.

Yours sincerely

Dr. Sally Burtles  
Director of Research Services & Business Development
